KONTERA TENVITO—is a ultra-premium blend of highly beneficial natural plant concentrates. It is a rich source of naturally available vitamins like A, C, E, B Group, pantothenic acid and folic acid along with minerals like calcium, phosphorous, magnesium, manganese, zinc, copper and various other nutritional compounds from the plants. The brand TENVITO comes from “vital ingredients from Ten plants sources” like amla, noni, aloe vera, moringa, ginger, turmeric, black cumin, green tea, tulsi and ashwagandha, which offers 160 nutrients that nourishes your body on a cellular level. This nourishment is a solid foundation to build optimal health.

Amla has many health benefits. It helps in maintaining healthy immunity, digestive system, metabolic activity, blood sugar, liver function, good for skin & hair growth. In ayurveda it is known to purify blood, slows ageing signs, cools the body, strengthen bones & prevention of constipation.

Noni fruit contains a wide range of nutrients and antioxidants that can increase energy levels and improve stamina and physical performance.

Aloe vera leaf extract encourages the release of pepsin for proper digestion and is essential to the health of the adrenal gland that supports our body in times of stress.

Moringa leaf extract help to increase blood antioxidant levels and regulates blood sugar and cholesterol levels.

Ginger is a great adaptogenic herb that helps to relieve gastrointestinal irritation. It also decreases the risk of obesity, diabetes, heart disease and overall mortality.

Turmeric provides strong anti-inflammatory and antioxidant properties.

Green Tea provides a relaxing effect on lowering depression, a fat burning supplement and boosts the metabolic rate.

Black cumin provides great support to human body as anti-bacterial, anti-inflammatory, anti-ulcer, anti-fungal and antioxidant property.

Tulsi has the amazing ability to regulate cortisol levels and keep hormone levels balanced. It also helps as detoxifying, cleansing and purifying agent

Ashwagandha has wide range of health benefits including its ability to fight against cancer and diabetes, as well as reduce inflammation, arthritis, asthma, hypertension, stress and rheumatism. Furthermore, it boosts your supply of antioxidants and regulates the immune system.
