3. BACKGROUND:

This forum was introduced in the start of 21st century. Its idea, vision, initiative and structure were planned and based by MAKHDOOM ALI SYED, who had been working as a TEACHER in PUNJAB GOVERNMENT SCHOOLS since October 1984 and well aware of the shortfalls of EDUCATION SYSTEM of PAKISTAN. So with the mission of serving the world/humanity specifically PAKISTAN in its true spirit he formed the platform of HOPE. It was favoured and supported by other cohorts who later on became its pioneer members. The organization was reorganized thrice and membership/responsibilities were contracted to those persons who were ready to play active role in the HOPE.

4. CONTRIBUTION AND PROJECTS IN OPERATION:

Education, schools, teachers, researchers and learners in RAWALPINDI and ISLAMABAD were served to a possible extent by the HOPE. For example;

- a. Publication in the form of books and articles on education
- b. "HOPE journal of research" (International/English) started from March 2013
- c. Academic guidance and counseling services to the school, college and university level students
- d. Encouragement and promotion of research culture by providing guidance to the researchers
- e. Provision of low-cost material (charts and models) to the private and government elementary and secondary schools
- f. Organization of Learners' Support Fund {Institution Based Unit (LSF:IBU-1) at Govt. DENNYS HSS, Rawalpindi and provision of financial assistance to HSSC level needy students, it (LSF:IBU-1) is working now}
- g. Financial assistance and support to the poor and needy students
- h. Professional development of teachers and modification of teachers' behaviour as per demand of the society and policy provisions of the nation through training sessions, seminars and meetings
- i. Character building of the students by lectures, short term training sessions and literature etc. were successfully practiced by the HOPE

And by the grace of ALLAH ALMIGHTY all of the services were provided free of cost with self-contribution and organizational support.

7. WAYS TO SUPPORT THE HOPE:

HOPE is a non-governmental organization (NGO) which is serving the humanity and trying to build the nation through its inputs in education. We, being Pakistani educationists have a HOPE that we can contribute in serving the humanity as our part. We are not hopeless, we have HOPE and we can do it by ourselves if we pay a little from our TIME, THOUGHTS and MONEY which is not our but granted us by the real CREATOR, LORD and MASTER ALLAH Almighty for the betterment of humanity and fulfillment of positive, constructive and purposeful needs of our own brothers, sisters or children.

So, step forward to support this act of virtue and high caliber and contribute/support the cause to live with HOPE.

Be sure that all from your good-self will be used on merit and principle of honesty, openness and sincerity. Thanks, JAZAK ALLAH.
